From marauding pirates and jungle tyrants to unwilling comrades and unlikely heroes, *Peter and the Starcatcher* playfully explores the depths of greed and despair... and the bonds of friendship, duty and love. A young orphan and his mates are shipped off from Victorian England to a distant island ruled by the evil King Zarboff. They know nothing of the mysterious trunk in the captain's cabin, which contains a precious, otherworldly cargo. At sea, the boys are discovered by a precocious girl named Molly, a Starcatcher-in-training who realizes that the trunk's precious cargo is starstuff, a celestial substance so powerful that it must never fall into the wrong hands. When the ship is taken over by pirates – led by the fearsome Black Stache – the journey quickly becomes a thrilling adventure.

Using a combination of magic and common sense, she must teach the family members how to value each other again. *Mary Poppins* takes the children on many magical and memorable adventures, but Jane and Michael aren't the only ones upon whom she has a profound effect. Even grown-ups can learn a lesson or two from the nanny who advises that "Anything can happen if you let it." *Mary Poppins* is an enchanting mixture of irresistible story, unforgettable songs, breathtaking dance numbers and astonishing stagecraft. This show is a perfect opportunity to showcase a strong, iconic female performer, as well as unique special effects and illusions.
