SHOWTIME CAMP: For campers entering 3rd – 12th grades. We have adapted our line-up for the virtual world! Don't let staying home keep your young actor from performing! Seizing the challenges of the moment, we'll embrace the camera as a unique creative tool and use this opportunity to fully explore on-screen acting. We'll introduce the idea of site-specific theatre, turning our own homes into cool, alternative performance spaces. "*All the world's a stage...*" and distance won't keep us from making one together, this summer.
